A. Core HR Features

1. **Employee Management**
    - A centralized repository for secure storage of employee profiles, including personal details, job roles, qualifications, and more
    - Thirteen customizable forms for data collection
    - Access Control List for data security
    - Mobile and web access for easy employee information retrieval
2. **Attendance Tracking**
    - Supports real-time attendance tracking through biometric devices, mobile apps, and web platforms
    - Ensures accurate data capture for on-site, remote, and field-based employees
3. **Schedule Management**
    - Allows managers to create, assign, and monitor work schedules
    - Employees can view their shifts in real time on mobile and web apps
4. **Mobile Application**
    - Provides on-the-go access to critical HR functions for both employees and managers
5. **Holiday Management**
    - Easy configuration of holidays and visibility for employees
6. **Storage**
    - Includes consolidated storage for user-generated content (storage limit mentioned above)

B. Advanced HR Features

1. **Access Control List (ACL)**
    - Secure data access with role-based permission settings.
    - Detailed activity logs for transparency
2. **Reporting & Analytics**
    - Pre-defined and customizable reports for crucial HR metrics
    - Dynamic Report Builder for tailored insights (upcoming feature)
3. **Employee Self-Service (ESS) Portal**
    - Empower employees to view payslips, update details, request leave, and more.
4. **Multi-Platform Attendance Tracking**
    - Supports attendance through biometric, mobile, and web platforms
5. **Geo-Fencing**
    - Define virtual boundaries to track when employees enter or leave specific locations (additional charges apply).
6. **File Storage Server**
    - Secure storage with controlled access to HR documents.

C. Automation Features

1. **Workflow Automation**
    - Automates routine HR tasks like attendance approvals and performance reviews
    - Timely in-app and email notifications for crucial HR events.
2. **Document Management System**
    - Digitized storage of employee documents with secure sharing options
3. **Notification & Reminder System**
    - Automated reminders for pending approvals and deadlines

General Service Level Agreement

1. **Scope of Support**
   - Rysenova will provide fully customizable support based on the client's unique requirements.
   - Rysenova will provide online support during office hours, Saturday to Thursday, from 10:00 AM to 6:00 PM.
   - On-site support is available, subject to agreed terms and conditions.
   - If feasible, complex issues will be prioritized with same-day escalation and resolution.
2. **WhatsApp Group Communication**
   - A dedicated WhatsApp group, including support representatives, will be created to facilitate faster resolution.
   - Response times for WhatsApp queries will be within eight business hours, or as per the agreed-upon terms and conditions.
   - Complex issues requiring detailed troubleshooting will be escalated to online meetings as needed.
3. **Payment Terms**
   - All pricing is exclusive of applicable taxes and duties.
   - Payment must be made within 5 days of the start date of the payment cycle.
   - If payment is not received within this timeframe, services will be suspended with immediate effect and will resume once the outstanding balance is settled in full.
   - Subscription fees are subject to annual inflation-based increases, with 30 days' notice provided in advance.
4. **Training and Additional Features**
   - Refresher training will be provided online monthly, as needed.
   - If necessary, additional training will be charged at BDT 5,000.00/day for on-site sessions. An upfront payment of 70% is required for these sessions.
   - Customization requests, feature developments, or integrations will be addressed in accordance with client requirements. Pricing will be agreed upon in advance and prioritized accordingly.
5. **Data Retention and Discontinuation**
   - Data will be retained for 6 months after the subscription is discontinued.
   - Clients may request the removal or export of data during or after the retention period.
   - Clients will have the option to export data only in **PDF** and **CSV/Excel** formats. Currently, no other formats will be supported.
6. **Governing Laws and Force Majeure**
   - Bangladeshi law governs this SLA, and a competent court in Dhaka will settle disputes.
   - KuiperZ will not be liable for delays or failures caused by force majeure events beyond its control.
7. **Intellectual Property Rights**
   - KuiperZ retains ownership of all pre-built, reusable software or components used in Rysenova and its relevant infrastructure.
   - Clients are granted exclusive use rights to customized components during the active agreement period, with resale or redistribution of these components strictly prohibited.
8. **Service Review and Optimization**
   - Regular reviews of the SLA will be conducted to ensure alignment with the client's evolving business needs.
   - Adjustments to support levels, features, or pricing may be negotiated during these reviews.
9. **Confidentiality**
   - Both parties agree to safeguard each other's confidential information.
   - KuiperZ ensures that all sensitive client information remains secure and is not disclosed to third parties without consent.
   - For further information, please refer to our Privacy Policy and Terms & Conditions.
